Appointment of NEW State Registrar

It is with great pleasure I would like to announce the appointment of Michelle Darker to the role of State Registrar for the coming 2 years. Michelle comes to us with many years of experience from within the BMX community and is one of the countries highest ranking female officials recently becoming an ENC (Elite National Commissaire) accredited by the UCI. Michelle's extensive experience locally, at state events and nationally as a staging coordinator and race secretariat will ensure our members, club registrars and state run events, are in great hands.

I would sincerely like to thank Leah Ditton for her commitment and dedication to the role of State Registrar over the past years. Her "can do" approach and "nothings to difficult" attitude, ensured the job was done, often under difficult circumstances. I know anyone who had the pleasure of working with Leah would echo these sentiments. Thank you Leah on behalf of the BMX Queensland board and the State Technical Team for your contribution to our great sport of BMX.

If you are a registrar or official and require assistance at any stage regarding OSM, timing and scoring, BEM or events, please do not hesitate to contact Michelle on stateregistrar@bmxq.org.au

Similarly, if I can be of assistance, please do not hesitate ask.

Yours sincerely,

Gavin Williamson
State Officiating Director
